This Communication is submitted in response to the Notice of Allowability dated July 2, 2004 which was issued by the U.S. Patent and Trademark Office in connection with the above-identified application. A response to the July 2, 2004 Notice of Allowability is due October 4, 2004. Accordingly, this Communication is being timely filed.

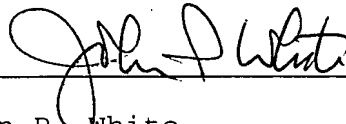

In the July 2, 2004 Notice, the Examiner required applicants to submit new formal drawings including the drawing corrections specified in the September 4, 1997 Notice of Draftsperson's Patent Drawing Review. In response, applicants attach hereto as **Exhibit A** eleven (11) sheets of new, corrected formal drawings for Figures 1 - 5B.
